

Tucson Earth Day Festival

The Tucson Earth Day Festival and Parade was held on the grounds of the Tucson Children's Museum and Armory Park on April 21 and was a great success! The SAEMS booth focused on recycling by using newspaper to make

hats. The booth was very popular and everyone had lots of fun, kids, and adults included! Extra special thanks to Shari Bauman, Richard Carter, and Michael Holcomb for staffing the booth. If you are interested in participating on or leading the SAEMS Earth Day committee next year, please contact Sarah Sillman at ssillman@globalsolar.com or any board member.
